

A detailed view of a Festo 5-port solenoid valve. The valve is a compact, rectangular metal component with a blue Festo logo and the text '5-PORT SOL', '1/4" BSP', and '1/2" BSP' printed on its top surface. It features a large threaded port on the left side, a smaller port on the top, and two ports on the bottom. The valve is shown in a perspective view, highlighting its industrial design and mounting flange.
